President's Report:

- President Ochs reports that the quarterly water tests have all been completed and passed.
- President Ochs reports that the streets slated to be paved this season are now complete. That would be a section of Spruce and Roosevelt streets. Plans for other streets needing

paved will continue to be scheduled as funds and availability of the paving company can be coordinated.

- President Ochs reports that the reservations for the campground are still quite active despite all the construction work. The campground facilities will stay open as long into the season as weather permits.

Old Business:

- Many have noticed the bridge work at the expressway ramps is now complete and traffic is once again back to normal.
- Thank you to all who are involved in donating their time, funds, and expertise in getting this project for the kids park off the ground and moving forward. We continue to schedule and implement upgrades such as weather and availability of workers permits. If you would like to donate time or materials to the project, please contact President Ralph Ochs.
- President Ochs briefed council on the Land Lease Agreement between the Village and Jamie Jacklitch, and following discussion, a motion was made by Robert Wallin and supported by Rick Johnston, council unanimously approved the lease as drafted by attorney Tim MacArthur.

New Business:

- The Wolverine library renovations are now complete. Please, stop in to see the new expanded space and check out something from their vast collection of books, movies, magazines, and audio books for your next trip or commute.
- Despite the bad weather and the ramp closure, the Lumberjack festival saw less than anticipated turnout, but overall, it was another successful event, and we thank all of those involved for making it happen.

Adjournment: A motion to adjourn the meeting was made by Robert Wallin; supported by Rick Johnston, the meeting was adjourned at 7:39 pm.
